This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord.

ISAIAH 54:17

WHAT IS HCF?

The Heritage Center Foundation was incorporated in 2006 as a non-profit organization. The purpose statement of the Heritage Center is: to preserve and promote Christian history from the perspective of the believers who have experienced a spiritual rebirth through a true repentance, conversion and baptism, and who chose to practice a literal interpretation of the Holy Scriptures, separated from the world, as revived and put in remembrance by Samuel H. Froehlich in Switzerland in the 1830s. Said purpose is furthered by maintaining a reference library of historic Christian materials, by creating publications of historic Christian materials, and by any other actions necessary or related thereto, all for the benefit of present and future generations.

The *Heritage Center Library* contains an array of materials and artifacts. Some historical treasures that can be found in the library include: a nearly complete archive of Silver Linings, baptismals from early local churches, a rocking chair built by Benedict Weyeneth, memorabilia from believers who suffered persecution behind the Iron Curtain and more. The library is located in the basement of Fairview Haven Retirement Community in Fairbury, IL.
